

Dear PVNS Families,

I love spring, the warmer weather (I'm still waiting...) the flowers and sunshine (again, waiting...) and the end of the school year. It's always a feeling of joy, tinged with a little sadness, especially this year. I never do well with goodbyes.

For most of you, this is simply, "See you in September!" For many, this is good-bye for now as we look forward to younger siblings coming our way next year or in the years after that. For others of you, whose youngest children will be attending kindergarten in September, this is a final good-bye. You are always in our PVNS Family.

I have enjoyed each morning at the top of the stairs, greeting the children and many of their parents. Thank you for another great year. I appreciate the care and concern you show to your children and the positive support you give to our teachers and staff every day! I especially appreciate all of the kind words and well wishes given to me by so many of you these last few weeks. Thank you!

Barb Cattalani

Director of Education

Teacher Appreciation Week

PVNS will celebrate our fabulous teachers and staff the week of May 6th. Our teachers are the very best of the best! They are professional, patient, kind and hard-working. While we intend to spoil them on their special week, nothing means more to a teacher than a few words of gratitude from parents or children. If you would take just a few minutes to write a quick note or card to tell your child’s teachers how much you appreciate them and some kind things your child says about them, you would absolutely make their day!

IN OTHER NEWS... SUMMER FUN WEEKS

Our summer program runs the week of June 3rd -7th or June 10th-14th from 9-11:00am. You can sign up for 1 week or both weeks. For the “Summer Fun Weeks,” Mrs. Amy DeSario, Mrs. Schuler, Mrs. Colicchio and Mrs. Brugger will be teaching our kiddos! There is fun planned for each day with a snack provided. Room is left in each age group. Send in your child’s registration form ASAP!

Door Greeter Needed

M-F Door Greeter (8:40-9:40 am) and (11:20-12:20 pm)

We are looking for a parent or grandparent interested in becoming a “Door Greeter” for the 2019/2020 school year. A door greeter assists in setting-up the parking lot each morning. They pull cars up at the assigned drop-off time and help get students out of cars and into the building safely. At dismissal they assist teachers loading students into cars and take down the parking lot set-up. This job is 2 hours daily.

****Art to Remember****

Thank you to the families who supported our “Art to Remember” project. We had 51% participation and earned \$779 for our school!

Attention PVNS Families:

Limited 2-year old openings still available. Please spread the word...
